ANNOUNCE BORDERLAND TOUR 2027 ACROSS EUROPE

Finnish metal pioneers AMORPHIS have announced the Borderland Tour 2027, a massive European headline run set to bring their signature blend of melodic death metal, progressive textures, and dark Nordic atmosphere across the continent this winter. Joining them as special guests are INSOMNIUM, with support from UNTO OTHERS.

The tour kicks off on January 22 in Hamburg and travels through Germany, Poland, Hungary, Austria, Belgium, the UK, Switzerland, Italy, Spain, France, and the Netherlands before concluding in Tilburg on February 14.

Known for their immersive live performances and critically acclaimed catalog, Amorphis continue to push the boundaries of modern metal while honoring the melodic and mythological roots that have defined their career for decades.
