

Gloryhammer

Dundax Ascendant Summer Tour 2025

The thrilling third chapter of the GLORYHAMMER saga!

Mighty warriors of the galaxy! **GLORYHAMMER** have returned from another epic quest, which led them from beyond the galactic terrorvortex through *"The Land Of The Unicorns"* right into the glorious *"Battle for Eternity"*. The whole story will be told on their new album, ***Legends from Beyond the Galactic Terrorvortex***, out on May 31st via Napalm Records!

Back in our universe they forged multiple versions of what will be known as the best power metal album of all time.

The heroes around Angus McFife XIII recruited an intergalactic orchestra to create a symphonic version of the whole album. It will be added as a bonus album to specific formats of ***Legends from Beyond the Galactic Terrorvortex***. Keep your eyes open for the right format to not miss these cosmic sounds!

Make sure to grab a copy of this power metal masterpiece. Especially the strictly limited editions, which will sell out fast!

GLORYHAMMER states:

*"Mighty warriors of the galaxy! It is our immense pleasure to reveal to you the full tracklist of our new album **Legends from Beyond the Galactic Terrorvortex**, and its release date - MAY 31ST 2019! Many battles were fought to bring this album to you, so make sure to pre-order your copy today...otherwise you might miss out on one of the legendary special editions packed full of cosmic bonus material! FOR THE ETERNAL GLORY OF DUNDEE!"*
