

Hayden Thrope

Hayden Thorpe came to prominence as the lead singer and chief songwriter for the much-celebrated band Wild Beasts who released five acclaimed albums on Domino Records before disbanding.

Hayden has since released three solo albums on Domino; Diviner, a critically adored work of solitude and fragility. Sophomore album Moondust For My Diamond, a work that is galvanising, reassuring, elegant, seductive and oozing in Big Cosmic Energy.

September 2024 saw the release of Ness, an album of rare ambition and singular beauty made in collaboration with best-selling nature writer Robert Macfarlane.

Known for his distinctive voice and sultry compositions, Thorpe's return to Cumbria marks a new era for his craft reflective of the natural environment he lives surrounded by.
