## Live with string quartet - The Black Finale

### "The Black Finale" Europe 2025:

*Imminence proudly announces "The Black Finale", the grandest live performance ever seen by the band. After the astonishing success of the completely sold out European Tour, Imminence are bringing all their unique and greatest strengths together and presents the brand new show concept - A live in concert experience with string quartet on stage, for the first time ever performing the bands original and acoustic songs in one single night!*

*"The Black Finale" will be witnessed on only five, exclusive occasions in Europe, December 2025. Marking exactly 10 years since the bands' first shows in these carefully selected cities, Imminence will be paying tribute to the journey taken from the humble start to some of the most recognized stages in Europe.*

*This will be the greatest and most memorable concert performance in Imminence history, thus far.*
