Burn Forever Tour

WHITECHAPEL announces European headline tour for early 2027! "Burn Forever European Tour" to feature SYLOSIS and label mates 200 STAB WOUNDS!

New video for "Nothing is Coming for Any of Us" live! Watch [HERE](#)!

WHITECHAPEL are happy to announce their return to European shores in January 2027. The trek features them, Sylosis, 200 Stab Wounds and Tribal Gaze.

Comments WHITECHAPEL's guitarist Alex Wade. *"We are excited to announce the 'Burn Forever European Tour 2027'. This will mark a long over due full European headline run featuring some of the sickest names in modern metal. The mainland Europe dates we will be headlining while all of the UK dates we will be co-headlining with Sylosis with them closing. We look forward to seeing everyone out there, new fans and old, don't miss it!"*
