**Lest hier das Statement der Band zur Verlegung:**

*Due to the pandemic we had to move our show at Kulttempel a few times. Some MaYaN members also play in Epica and there is a little overlap between their US tour with Sabaton and the MaYaN dates.*

*The good news is that we can move the show (that was initially planned for September 29th) to an earlier date in September. This one will stay free for sure.*

*The new date will be September the 7th*

*We hope to see you all there and apologies for the inconvenience.*

*Cheers MaYaN*
