Quotes from the Bands:

Kreator: *"This is possibly the most irresistible thrash package ever put together, the best of the US and Europe in one night! These will be some of our biggest shows in Europe, so we are bringing a huge production and plan to tear it up every show!"*

Anthrax: *"It's been about four years since we last toured the UK AND Europe, so these dates ARE LONG overdue! And what a line-up - Anthrax, Kreator and Testament - so much f**cking metal! We can't wait to bring the noise to you, and maybe surprise you with a song from our brand new album coming later this year. So get ready to rage friends, this time, we ARE coming!!"*

Testament: *"As 2024 kicks off, we are thrilled to announce plans to wind down the year in epic fashion: By touring with Kreator and Anthrax, two of the mightiest bands who are also great friends. Our first tour with Kreator was in 2023, and was a perfect fit. Our history with Anthrax dates all the way to our earliest years, through some of our favorite tours of the 2010s. 2024 will mark the first time all three bands tour together as a package. So join us as the heaviest sounds from Europe, the East Coast and West Coast come together to unite the world - Kreator, Anthrax & Testament!"*
