

With the highly anticipated release of her album, ***This Wasn't Meant For You Anyway*** just around the corner, South London singer/songwriter **Lola Young** is thrilled to announce her **UK, Europe & North American** Headline Tour. Tickets go on general sale **this Friday at 10am** local time at www.lola-young.com.

Following her triumphant sold-out Spring run of US shows and upcoming festival performances at **Lollapalooza and Osheaga Festival** this Summer, **Lola** is set to return to North America this September. Starting in **Toronto** on the **25th**, **Lola** will perform at revered venues across the US, including **Nashville's EXIT/IN, San Francisco's The Fillmore, Webster Hall in New York City, and House of Blues in Texas and California.**

Not stopping there, **Lola** will also embark on a UK headline tour in December to round off a phenomenal year. The UK leg will commence in **Bristol** on **3rd December**. **Lola** will headline venues in **Brighton, Glasgow, Manchester, and Birmingham** before rounding off her tour with a special hometown show at **Brixton Electric** on **10th December**.

Next February, **Lola** will commence the European leg of her tour. She will perform headline dates in **Paris, Brussels, Hamburg, Berlin, Cologne**, before rounding off her headline shows in **Amsterdam** on **19th February 2025** - you can view full tour dates below.

Dropping this Friday, **Lola's** upcoming album ***This Wasn't Meant For You Anyway***, is a testament to her evolution as an artist. Recorded in LA and produced by her friend and collaborator **Solomonophic** (Remi Wolf, BROCKHAMPTON, Dominic Fike), ***This Wasn't Meant For You Anyway*** is a multi-faceted, fearless concept. **Lola's** album is a captivating blend of kinetic energy and is lyrically driven by a mix of rage, passion, narrative flair, and comedy derision, making it a truly unique experience.

Latest single '**Messy**' depicts a tumultuous relationship and boasts an abundance of witty one-liners perfectly served by **Lola**. Already gaining popularity amongst her fans on socials, '**Messy**' launched as **Jack Saunders' 'Hottest Record'** on his **BBC Radio 1 show** on release day and showcases a fresh attitude and an alternative-leaning sound explored throughout **Lola's** upcoming album.

Through her captivating filmed content and no-nonsense output, **Lola** has won over a new legion of fans spanning both sides of the Atlantic, including the likes of **Snoop Dogg, Tyler The Creator, Ty Dolla \$ign, Offset, Michael Stipe, Little Simz and Lily Allen.**
